

## About us...

SoftWEAR Systems is a Professional web design business located in St Germain Wisconsin! Our desire is to see every business no matter the size having their own website. Far too often cost has been a deciding factor for many, here at SoftWEAR Systems LLC we hope to break that barrier by providing multiple solutions. Firstly we offer 4 different web design packages ranging from the basic to the elite. You decide what fits your needs and remember you can upgrade to the next package at any time !

Then choose your payment options we accept all major credit cards but we also offer a payment plan consisting of monthly payments spread over a 24 month period to keep the principal low. There is no penalty if paid on time (see our website [www.softwearsystems.com](http://www.softwearsystems.com)) for all the details. And if you wish you may pay in 2 equal payments, start and finish.

So not having a web site these days is just not an option. Here at SoftWEAR Systems after the web site is finished we offer Professional SEO. Search Engine Optimizations, to make sure your new website is found on all the major search engines. Like we say on the inner of this flyer SEO is a step by step process which may take months
